Horseshoes & Hand Grenades Theatre presents the world premiere of an innovative, multi-media dramatic work *This Stays in the Room*. From the company that brought you *Except in the Unlikely Event of War*, *Re:Union*, and *Palace of the End*, this collective creation brings together several of Vancouver's finest theatre artists in a provocative and intimate experience which will propel the audience on a theatrical journey that asks: why do you shame and how do you forgive? Come enter a vulnerable and exposed environment where the stories you will hear are the actual lived-experiences of the performers onstage. *This Stays in the Room* will engage the audience through text, song, original sound and video composition, choreographed movement, and photographic portraiture.
