It's been two years since the Peer Work Network (your network) started. Please join your PWN facilitators – **Oliver and Marilyn** – for an assessment on how this network has been addressing the needs of the intended audience – all Peer Workers in BC.

The original vision/mission of this CIF project was "To build community connections among Peer Workers of BC by offering a forum to **share, support** and **inspire** each other."

Have we done that?

- Have our topics and guest speakers been of interest and value to you?
- Are there any specific topics you would like to see addressed in the coming year?
- Do you have presentation material that you would like to share?
- How is our new day and time (third Thursday of the month, 3-4:30pm) working for you?
- What would make the Peer Work Network more accessible, interesting, or appealing?

Remember, this is your network. We want to hear your feedback!

A Consumer Involvement and Initiatives forum for all BC peer workers; including peer support workers, peer facilitators, peer navigators and CIF project leads.
